Discuss the impact Awe and Wonder can have on a child's understanding of the world and their place in it. The following questions can be used to initiate a staff discussion on how awe and wonder could be developed in your school.

- How would you describe 'Awe and Wonder'?
- Do you have Awe and Wonder moments in planning? What are they and how do you encourage them? Through questions, visual media etc...
- What topics are you covering in RE and school assemblies?
- What questions/activities could you use to inspire Awe and Wonder?
- What would you do if a child is inspired? How could they capture/record their response?
- Awe and wonder helps pupils to understand their place in the world. How can you encourage this in your next RE topic or opportunity for collective worship?

Will you change something based on this discussion, if yes, what?
