**Comparative Planning**

## Using both Feel Good Assemblies and Simply Collective Worship Schemes:

- Feel Good Assemblies (our age 3-7 resource) is designed as a progressive framework for the development of feelings and emotions.
- Simply Collective Worship (our age 7-11 resource) has specific themes, festivals and special days (but they are not progressive).
- Most of the stories/themes included in Feel Good Assemblies Cycle 4 have been adapted from stories/themes in Simply Collective Worship Cycle 4.
- If you have both Feel Good Assemblies and Simply Collective Worship, we suggest using the Simply Collective Worship cycle for a whole school assembly (although Feel Good Assemblies would also be suitable).
- You could plan the SCW whole school assembly to match the FGA themes (See the table below).
- The FGA main assembly can be used in a whole school setting, but it will work well in a class or smaller group setting.
